Dear Constituent,

In every community in Simcoe—Grey, we all know generous individuals who enrich the lives of others everyday through selfless volunteer work. If it wasn't for these volunteers, our communities would not be what they are today. Just think of the those who make food for the less fortunate, help our seniors with errands, coach our youth in sports and work with those in need. Our communities would be a lot less vibrant without volunteers.

Therefore, I am proud to announce that as your Member of Parliament, I wish to recognize the contributions that so many of my constituents make through the 2022 Simcoe—Grey MP Community Leaders Award. There will be five categories for the Simcoe—Grey MP Community Leaders Award: youth, adult, senior, business and service club or religious organization. These people, business or organization will have gone above and beyond in making a positive difference in the lives of others through volunteering here in Simcoe—Grey. Nominations will be accepted through my offices until March 31st. A congratulatory luncheon will be held for recipients this spring or summer, as COVID-19 restrictions permit. I strongly encourage you to

take the time to nominate an individual, business or organization who makes a positive impact in our community.

Nomination forms can be picked up at one of my constituency offices, located at 503 Hume Street in Collingwood, or 452 Victoria Street East in Alliston. They can also be requested via email at Terry.Dowdall@parl.gc.ca. or by calling 1-866-435-1809.
